

NAME THE STATES LUCKY FLEW OVER

Find the star in Washington and the star in Arkansas. Using a ruler draw a yellow line from the star in Washington to the star in Arkansas. Draw a star in the state you live in. Draw an orange line from that star to Washington's star and list the states you would fly over. Draw a blue line from where your star to Arkansas and list the states you would fly over. How many states would you have in common?
